Nth Footscray Idol makes its long awaited return this year, so starting practising our act. All teams are expected to have a t least one performance but the more the merrier. If you cant sing why not try a dance, musical instrument or a comedy act.

Good news for the week

On a brighter note, we received an e-mail from the coach of the Werribee u16's side.

"The players who represented North Footscray on the weekend are a credit to themselves, their parents, their coach, and the North Footscray Football Club."

Full copy of this email is in our club rooms for those wishing to read it.

Also congratulations to all players that have represented our club in the various interleague age groups over the past few weeks.

Aus Kick Pancake Day

AUS Kick – Pancake Day Saturday 20th June at 9.30am

The AUS Kick program has invited the Under Nines to participate in the training this Saturday at our home ground. The session will run for one hour which includes a scratch match this is followed by pancakes to be served in the club rooms. The boys are asked to wear their Devils jumper. The idea is to demonstrate to the Aus Kick kids that there is a pathway to junior football with the North Footscray Football Club. The support would be greatly appreciated, any question contact the under nines coach Shaun Brown.
